MEMORANDUM FOR: STANDING COMMITTEE MEMBERS OF THE IAC

Subject: IAC Meeting June 24th

Reference: Circular Memo on MIS Program from DCI, dated 7 June 1949

1. In view of the facts that there apparently are no special comments on the above mentioned reference and that the scientific and medical intelligence matters have not yet crystalized to the extent that IAC discussion is necessary, there are no special or specific subjects for discussion at the IAC Meeting on June 24th.

2. The DCI thinks, however, that it may be worthwhile to have a meeting of the IAC members themselves for general conversation on any intelligence matters which they may care to mention.
